How many visits did we see in 2019?

In total, our centres received over 290,000 visits from people with cancer and their families, an increase of 15% from 2018.

How much fundraised income did we achieve in 2019?

We raised a total of £27.2 million in 2019, £8.5m in capital and £18.7 million in revenue.

The revenue income has enabled us to continue the running of all of our centres:

It costs around **£2,400** to keep a Maggie's centre open for a day.

It costs around **£12,000** to keep a Maggie's centre open for a week.

It costs around **£590,000** to keep a Maggie's centre open for a year.
